

ALL SAINTS TEEN MISSIONS 2024

Explanation of a new approach: God has blessed our ministry with generous donors through the Friends of Upper Room Campaign and now we believe we are in a position to support our Teen Mission Program without a Mulch Sale and Delivery. **There will be no Mulch Sale, but instead we will replace our Fundraising Credit system in three ways that require our Mission Teens to participate...**

1. **Community Building** – Earn fundraising credits through presence at Youth Ministry events
2. **Fundraising Support** – Earn credits through our Mission Campaign after Masses this February
3. **Day of Service** – Earn money by serving our community in a Spring Clean-Up

We are estimating that each teen can earn \$350, however it is an estimate because we rely upon our *Friends of Upper Room Theatre Campaign* to produce as it has the past couple of years. If your family would like to contribute or if you are aware of someone who may be willing to contribute, please pass along this url: <https://upperroomtheatreministry.org/support/>
